

By understanding the harm caused by utilizing single use carryout bags and to personally reduce my environmental impact; I \_\_\_\_\_ pledge to my fellow Californians that I will do my part to **Keep California Beautiful** by using reusable bags whenever possible. *My goal is to use at least 6 less single use carryout bags each week* either by using a reusable bag or declining to take a single use carryout bag when it is unnecessary. I will make a conscious effort to remember to bring my bags when shopping and properly recycle or compost each single use carryout bag I may use; promoting a better, litter free environment.
